

# Edibles Rex COVID -19 Health and Safety Plan

Edibles Rex has enacted a health and safety plan to address concerns about the Coronavirus and other viruses. As always, Edibles Rex continues to provide delicious food that is safely sourced and prepared in accordance to strict guidelines set forth by the CDC, WHO and other state and local agencies. Our clients can rest assured that our entire product line and services are safe. Additional safety measures that we may recommend are provided for your reference.

.....

## Current Safety Practices

At Edibles Rex, we take the health of our employees and customers very seriously and continue to incorporate CDC recommendations. These are our current practices:

- ◆ Restricted access to our kitchen facility and offices. No outside customers, vendors or people other than our core group of employees may enter our spaces. ~Customers wishing to order meals for curbside pickup are limited to the parking lot or truck bay only.
- ◆ Gloved and masked food preparation
- ◆ Gloved and masked food delivery whether curbside pickup, residential or corporate delivery
- ◆ Full service staff are gloved and masked
- ◆ Social distancing amongst our workforce on the job and off
- ◆ All vendor deliveries are drop shipped and cardboard containers are immediately recycled off-premise
- ◆ Hand sanitizing stations throughout our facility and in our vehicles
- ◆ Hand sanitizer offered at any buffet line
- ◆ Our employees understand that if they are symptomatic, they do not come to work. If their temperature is above 98.6 upon reporting to work they will be sent home
- ◆ Daily disinfecting of all facilities including doorknobs, countertops, phones, keypads, keyboards, mice, tools, kitchen equipment, and kitchen preparation surfaces

.....

**Despite the uncertainty of COVID-19, we expect to continue to deliver the same level of service and excellence to our customers.** We are here to serve you and continue to operate safely and effectively.
